## DIVE CLUB

OF THE SAN GABRIEL VALLEY

[WWW.solesearchersdiveclub.com](http://WWW.solesearchersdiveclub.com)

We're a group of divers with variety of skill levels and experiences. Some are old salts, and some are recently certified divers starting to explore our local waters. Beach divers and boat divers, we welcome anyone and everyone to join our club. All we ask for, is for you to be a safety-minded diver and have a positive attitude.

So why join a dive club? A dive club is a great place to keep in touch with your diving community, find new dive buddies, learn about local dive sites, augment your dive education, receive discounts at your dive shop, share information and experiences with other divers, and have fun on a group scale. Questions? Contact Kaz Aizawa at 323/254-3362 or e-mail [kaizawa@earthlink.net](mailto:kaizawa@earthlink.net)

Come join us, and let's go diving!
